No. 30, 6 room new frame house equipped throughout except heat. Two lots, lawn and sidewalks. Located at 909 East 4th St. Price \$2750.00. C. F. Temple.

Miss Catherine Hall entertained the members of the E. S. K. club Saturday afternoon at a party. The house was decorated in red and white hearts and these colors were carried out in the games and refreshments. Prizes in the contests were won by Misses Helen Tatman and Wilhelmina Gerle. A two course lunch was served.

Wanted—Girl for general housework. Mrs. H. M. Grimes. 4-3

Coroner Maloney and County Attorney Gibbs went to Sutherland this morning to resume the inquest over the death of Mrs. Zimmerman. An analysis of the supposed Rochelle salts administered to Mrs. Zimmerman was received from the state university yesterday. An adjournment of the inquest was taken until this analysis could be made.

Stanley, the little son of Mr. and Mrs. Guy Swope, died last evening after a short illness. Ten days ago he was taken ill with pneumonia and for several days his condition was critical. Sunday a change for the better came and encouraging reports were given of his recovery, but a relapse came yesterday and the spirit took its flight shortly after nine o'clock last evening.

The little fellow had recently reached his third birthday and was unusually bright for his years—a sweet lovable boy whose death brings great grief to the household. Awaiting word from relatives in the east, no arrangements have been made for the funeral. The bereaved parents have the sympathy of the entire community in the loss of their little one.

## School Bonds Sold.

At a meeting of the board of education last evening the \$20,000 five percent bonds issued for the erection of a school building in the First ward was sold to the First National Bank of this city for \$20,260, or a premium of \$260. There were fourteen bidders representing several of the heaviest bond buyers of the country, but the bid submitted by the First National was the highest and the award was made to that institution.

The First National purchased the bonds as an investment and not for the purpose of re-selling them. In this transaction the bank is following a precedent established a dozen years ago when it purchased the high school bonds and has since retained them.

In entering into competition with other institutions in the purchase of local bonds the First National performs a service to the community in that it prevents outside buyers from entering into a combination to control the price offerings.

## Baker's Team Wins in Tournament.

In the billiard tournament at the Elks' home which began Monday evening of last week and ended Saturday evening, the team of thirteen captained by Dick Baker defeated the team captained by Henry Rebhausen by a score of 1225 to 1210. The wager in the contest was an oyster supper and it will be served at the home next Friday evening. The Baker team was composed of Baker, Edwards, Carson, Hayes, Coates, Rush, O'Connor, Evans, Klenk, Martin, Larson, Healey and Clinton. Rebhausen had as his team in addition to himself, Whelan, Redmond, Woodhurst, Voseipka, Austin, Tobin, Frisco, Elder, Walker, Sturges, Hartman and Herrod.

This is the third tournament that Steward Smith has successfully inaugurated during the winter, the prizes in the previous events being two cues in each event.

Dainty designs are shown in the Sterling Muslin Underwear at the Tramp Dry Goods.

Thomas McGuire, who has been employed in Dickens for several months, will return here about March 1st and spend a few days with his parents before going to Hot Springs, S. D. to take treatment for rheumatism.

## Large Sale of Lots in Cody's 2nd Addition and Scout's Rest Addition to the City.

Col. W. F. Cody (Buffalo Bill) was on the grounds and lunch was served while the purchasers were picking their lots.

Yesterday was the opening day for sale of lots in Cody's 2nd addition and Scout's Rest addition to this city, and the sale was up to expectations in every respect. Col. W. F. Cody, the owner of the lots, was on the grounds and held an informal reception to all comers, the majority of whom were purchasers of one or more lots in the new additions.

On account of it being pay day and therefore not being able to get any of the business men, and a small per cent of the railroad men, as they wanted to cash their checks and attend to their local business, we did not have the crowd at our lunch that we expected, however, practically all that were there bought from one lot to a half block, demonstrating that is all that is necessary to make sales of these tracts of land is for parties to see them.

Lunch is being served again today, and the sale of lots is good. From all indications, the sale today will far exceed yesterday.

These tracts of land, situate as they are, in the west part of the city and adjoining the new works of the Union Pacific, is without doubt the future residential section of the city, and anyone desiring a home site or an investment cannot do better than to buy a few of these lots.

The actual sale of lots yesterday was 21 lots, consequently if you want a choice location you will have to hurry. C. F. Temple has cars all this week that will call at any part of the city and take you out to see the lots, so do not delay, but phone the office for one of the cars to call for you and make your choice.

To the Young Man, as a saving proposition. Buy one or more of these lots, making a small payment down, being \$10.00 per lot, and \$5.00 per month, which amounts any of you can afford. In a short time you have a lot paid for. A lot that will steadily increase in value, and in a very short time be worth twice the amount paid for it.

To the Father, that wants to provide something for his children. Look at what you could buy lots for any place in North Platte ten years ago. If you had bought a few lots then yourself, you would practically be rich now. Buy one or more of these lots for your children, and let them be rich in ten years hence.

To everyone, that wants to save or invest a little money. There is not a proposition on the market that can beat these lots. Everyone will concede that the town is going west. These tracts of land are across the west end of the city, so the town must be coming our way.

Don't delay. Call Temple and see these lots today. Hurry!

Miss Lenore Cummings, of Chicago, will arrive next Sunday and will remain indefinitely. Miss Cummings' health is now too good, and after a number of visits here finds this climate and altitude more beneficial than Southern California and other health resorts at which she has stopped.

R. C. Grieson, who had been employed in the motor department of the U. S. round house for five years and was recently appointed foreman, resigned his position yesterday and will engage in photography at his home on East Sixth street.

Judge and Mrs. H. M. Grimes received word yesterday that their son Lee, who had been ill for some time at Atlanta, Ga., and had his tonsils removed Sunday, was getting along nicely.

Miss Isabelle Skinner has returned from a week's visit in Gothenburg and accepted a position in the Johnson dry goods department yesterday.

Miss Viola Baldwin, of Sutherland, spent the latter part of last week in town with friends.

Attorney J. G. Beeler left yesterday afternoon for Sutherland to transact business.

The old Baptist church building is for sale, to be moved off the lot where it now stands. See J. L. Loudon in Howe & Maloney's store, for terms and price, or make offer of cash.

## "Countess Coquette" Tonight.

The "Countess Coquette" company came in from the west this morning and will present that musical farce at the Keith tonight. From what we can learn the attraction is one of real merit as far as fun, music and pretty girls go, and included in the cast is Knox Wilson who is head liner in the musical and comedian lines, having starred in "The Burgomaster," "Land of Nod" and the "Silver Slipper." Maude Williams, who is also with the company, has been the prima donna in "The Sultan of Sulu" and "King Dodo," and Templar Saxe and Harry Paul, both singers of note are with the company. Among the vocal gems are "On Parade," "Springtime" and "Pictures of Real Life," each of which are of the kind that everybody whistles after the company leaves town.

The chorus is said to be finely costumed and the scenic production gorgeous. Altogether it would appear that "The Countess Coquette" is a play that will please and one that will be worthy a crowded house.

Reese's pantatorium having installed a new French dry cleaning and extracting machine in conjunction with Frenzies chemical dry cleaning process, is now prepared to clean anything for ladies or men. Ladies' silk or lace one piece dresses and white kid gloves a specialty. Prices the same as any other cleaning house in the city. Goods called for and delivered. Phone 450 and we will call. H. R. REESE, Prop. 4-4

Mrs. Black, of Overton, who visited Mrs. E. N. Robbins last week, left Saturday.

## Ours is a National BANK

Before the UNITED STATES GOVERNMENT granted us a charter to do a banking business they made themselves absolutely sure that there was both CHARACTER and money behind our bank. A National Bank is restricted in doing business according to the National Banking laws, and the U. S. Government Bank Examiners see that these are observed.

Besides this, the good names of reliable men of financial responsibility are behind our bank.
